Hi Kellee,

We extended the public comment period through June 19. There were a number of Oglala Sioux Tribal members who spoke at the hearings and submitted written comments. Darla Black, the OST Vice President, attended the Valentine hearing on April 27 and spoke. She was also present at the Tuesday, May 9 Rapid City hearing, but did not speak.

I expect to get more detailed comments from Jeff Parsons by the end of the comment period.

We are sending out another letter to OST, and a few other Tribes that we heard from during the hearings, requesting to schedule consultation meetings. They have not gone out yet. I'll let you know what we hear back from OST.

Thanks for checking in!

Hi Valois,

Hope all is well. Just wanted to follow-up with you regarding next steps since the comment period has ended. If possible, I am also curious to know if the Oglala Sioux Tribe submitted comments and/or attended any of the public hearings for the draft permits.

Thanks
